To: Ross Valley Fire Department 3 Station 18 Crew,

The end of my medic internship is somehow already upon us. I want to thank you all for the support and respect I received while going through my internship, both on calls and while at the fire house. This has been a major learning experience for me and each of you contributed to my overall great and positive experience on M18. I hope to see you all in the future and don't hesitate to reach out to me in any way, for any reason. (415) 847-3723
